## Department of Community Medicine

### World Health Day Report

The world health day 2022 was conducted in the ground floor lecture hall with the faculty and students of batch 2021-22 by the department of Community Medicine on 08.04.2022. The activity started at 9am with the introductory speech of Head of the Department Community Medicine Dr. Kiran Makade. On this occasion under the presence of respected Dean Dr. Manik Chatterjee Sir, faculties from various departments and students of 2021-22 batch took oath for healthy diet and health promotion.

After the introductory speech the students and respective faculty judges dispersed for essay competition (1<sup>st</sup> floor lecture hall), Poster competition (Ground floor Museum) and Extempore Speech (Ground floor Lecture Hall). This was followed by welcoming of Director Sir Mr. Nitin Patel and all the respected judges for various events. After welcoming the dignitaries and judges prize distribution session was conducted for the students. The winners and participants both were given certificates. The winners also received winning trophies. At the conclusion of the event Dr. Ranjan Bajpai Professor and Head department of Forensic Medicine motivated students with his speech. At the very end of the program, vote of thanks was given by Dr. Ashwini Katole Assistant Professor Department of Community Medicine.
